There will be an archery competition on the Saturday and various activities to take part in over the weekend.

All teams will be responsible for cooking their own meals and they will only have to supply both breakfasts, suppers and their own drinks. To help us with our preparation for the evening meal it is essential that we are informed of any dietary needs and allergies. They will be cooking the evening meal on an open fire (ingredients for the meal will be provided) Lunch will be provided on both days

Each team will need to bring enough equipment to camp, build a gate and to make a minimum of 2 camp gadgets (points will be awarded for these).

On the Saturday evening we will be having a campfire and each team will be expected to perform a song or sketch (points will be awarded).
