POST BALANCE SHEET EVENT – COVID 19 PANDEMIC

The impact and duration of the COVID 19 pandemic is causing international economic crises and uncertainty, and the charity is not immune to the impacts being felt. After the balance sheet date, during the lockdown period. Scouting activity across the UK was temporarily stopped.

Precautions have been taken to protect our volunteers visiting sites, and normal level of governance has been maintained during the pandemic with trustees keeping in regular remote contact through video conferencing. The trustees continue to monitor the impact of the situation on the charity's reserves. Whilst we may plan to use some of our reserves to meet our objectives during this period, we have taken reasonable steps as follows:

Addendum Paper City of Hull Executive Committee Membership

Actively managing our costs through reduced and limit expenditure on scouting activities.

Continue to monitor the reserve levels, and as noted above, at the balance sheet date we held £15,698 of unrestricted funds which comfortably exceeds our very low level of annual fixed costs. Our new District Commissioner will have funds available for the furtherance of Scouting in the City of Hull.

The Trustees will continue to monitor the effects and continue to work in the best interests of the charity. At the date of signing the accounts, initiatives were underway to begin a safe return to Scouting activities following both headquarters and NYA guidance.
